INSPIRED TO DANCE

## Hair, Make-Up and Costume Details for Dress Rehearsals & Showcase

**\*\*Reminder:** for this Halloween showcase, most costumes need to be returned. For our February and June recitals, dancers receive an actual dance costume or performance top that they keep. For the Halloween showcase we reuse costumes and ask for help from home. Below are details for each class and team that includes which items need to be returned after the show.

- **Hair:** All dancers need to have their hair **parted in the middle, slicked back into a low ponytail with an elastic that matches their hair color.** (Some dancers may have specific hair instructions below so check for that, otherwise everyone follows this style.) Class dancers can choose curled or straightened hair for their ponytail, but the important thing is that the hair in front is neatly slicked back with gel and hairspray to ensure it stays slicked back the entire time while dancing.  
\*Company Team Dancers need to have their hair straightened.

- **No Polish/Jewelry/Glitter/Straps:** No glitter, jewelry, toe nail polish or fingernail polish is allowed. Also, no bra straps or underwear, or underwear lines can show. Please make sure dancers try on their costumes ahead of time. Please make sure dancers are secure. If they need to wear a bra, they need to wear one that does not show at all.
- **Costumes:** Please make sure that all of their costume items are in perfect condition, clean and wrinkle free. Please write their name or initials somewhere hidden from the audience on each part of their costume that they don't need to return so it will not be lost or mixed up with their teammates. Please see the specific costumes details below for each class to ensure they have what they need.  
\*Note: If your dancer needs black dance shorts and/or tan dance paws for their class, they can be purchased through Dance Crew for \$25 each. If you need to order some, please be sure to email us this week to do so.
- **Make-Up:** Dancers need to have their own make-up on: foundation, red shade of lipstick, pink shade of blush, black eye liner and black mascara. Eye shadow needs to be tan/cream highlight shade of shadow for under the brow and lid and brown/black shade of shadow for crease of the eye. Some classes and teams need specific Halloween make-up for their dances. Please be sure to read through your dancer's class details below.  
\*Competition teams do competition make-up and will be getting their team make-up bags soon.

Thank you!

Hip Hop Ages 7-11 “Boneshaker”: Their skeleton shirt with their own black bottoms, black socks and the darkest sneakers they already own. Their black pants can be joggers, jeggings, or leggings as long as they can dance in them, are completely black and are full length, not capri length. Dancers also need to wear their own black tank tucked in under so their stomach doesn't show while dancing.

Hip Hop Ages 13+ “Zombies”: Their own zombie costume with black socks and the darkest sneakers they already own. They also need to wear a black tank & black dance shorts or leggings underneath to ensure stomachs do not show while dancing.

Make-up: each dancer will be given some zombie make-up. They can use their own zombie make-up but need to wear it the same way each time (10/16 make-up to practice, 10/23 dress rehearsal at theater and 10/24 showcase).

Dynamite Team – “Fire”: Their black and red tailcoat leotard over their own black underwear and dance paws. We will be using the rhinestone hair clip for future performances so please keep it safe in their make-up bag. For this Halloween showcase, they will wear the red horn hair clips. Have them keep their red clips in their make-up bag and we can help them put them on so they are all the same. Note: this is one of their competition routines and they will need this costume all season.

Lil Hops – “My Family”: Either their “Pugsley” shirt or their “Wednesday” black tee over the white collar with their own black jogger pants, black socks and the darkest sneakers they already own. They also need to wear their own black tank tucked into their black dance shorts underneath to ensure stomachs do not show while dancing.

Ignite Team – “The Reaper”: Their blue mesh shorts with blue leotard over and black hood over that with tan dance paws. Note: this is one of their competition routines and they will need this costume all season.

Shorteez – “Beetlejuice”: Their stripe shirt and own black pants over their “The Reaper” costume with hood popping out with their own black socks and the darkest sneakers they already own. They can use their warm-up pants or their hip hop pants from last season. Green hair piece on dancer's right side clipped in next to part, we will show them how to do this. After the show, keep the stripe shirt safe because we may be using it for their competition dance.

Kryptonite Team – “Darkness”: Their black dress costume over their own black dance shorts with tan dance paws. Black lipstick and wear the 2 barrettes about 2 inches from ponytail on right side. Note: this is one of their competition routines and they will need this costume all season.

The Crew – “Wizards”: Their wand and their individual wizard cape over their own black long sleeve shirt, black pants, black socks and darkest sneakers they already own. They can use their hip pants from last season or their warm-up pants. After the show, they turn in the capes and wands.

Fusion Team – “Bad Omen”: Their headscarf, gold necklace, gold wrap around waist, brown top, black vest, and brown skirt over their own black dance shorts with tan dance paws. We will show them how to tie and pin their headscarf. Please pack bobby pins in their make-up bag. Note: this is their competition routine and they will need this costume all season.
